Chapter 1 by Dominic

This story wont be boring ah shit, lets make this very interesting but also makes sense. Lets start

"AHHHH!!!", "Where am I?!", yelled Jack.

Jack woke up with extreme fear and pain. His eyes could only see white, he didn't know or remember if he was blind or it was just the bright sun. But luckily his vision started to clear, but what he saw was way worse. All water, all ocean, no land for miles and miles. On a small boat, but big enough for a good 15-20 people. He couldn't understand where he was, or how he got here. Jack didn't remember anything, only his name, but only his first name. But he was getting extremely hungry, so he focused on that.
